Roll up, roll up to the greatest flower show on earth!

Roll up, roll up to the most fantastical showcase of colour, beauty and excitement at this year's **TesselaaR KaBloom, Festival of Flowers**, 6 – 28 April 2019.

Held on TesselaaR's flower farm in Melbourne's stunning Dandenong Ranges, KaBloom is a brand new spectacle where circus arts and flowers collide.

Step right up to see the world's first **KaBloom circus spectacular** where artists from Melbourne's own **CircaNICA**, the circus agency of the National Institute of Circus Arts (NICA), perform a modern extravaganza every day - think contortionists amongst the marigolds, acrobats in the snapdragons and performing jugglers in the petunias.

Fun for all the family, children can watch daily performances of the world renowned **The Circus Firemen**, get lost in our **famous crate maze**, twice daily **fairy folklore storytelling**, **eggsellent egg hunts** over Easter and an **obstacle course** that will bring out the child in everyone. And the best part, children (16 and under) have **free entry** into Festival every day.

Our **infamous tractor train** will be on continuous rotation around the flower fields where visitors are encouraged to make the most of the instagram worthy views whilst on board. There will be **giant garden games**, **delicious food** and plenty of opportunities for some retail therapy.

Following in his grand-parents footsteps, fourth generation nurseryman, Paul TesselaaR said that he is thrilled to provide another opportunity for people to visit their well known flower farm.

"There is nothing quite like KaBloom anywhere else in Australia.

World class circus arts combined with millions of flowers in bloom provides the perfect stage for an amazing day out."
