

TESSELAAR KABLOOM FESTIVAL OF FLOWERS RETURNS IN 2025

Back with more on offer for Easter and school holidays than ever before

Step into a world of enchantment at the **Tesselaar KaBloom Festival of Flowers**, where over a million vibrant blooms transform the stunning Dandenong Ranges into a floral wonderland. Wander through five acres of breathtaking flowers, including sunflowers, salvias, marigolds, and dahlias, all arranged in mesmerising and intricate patterns. This floral spectacle is a feast for the senses, and this year, for the first time, the *Kabloom Ferris Wheel* will allow you to see the intricate flower field designs from a great height, operating every day of the festival.

Beyond the blooms, *Circus Oz Now For Wow* brings thrilling live entertainment and vibrant acts of daring delights. Experience a bunch of ordinary humans doing extraordinary things in this fun-packed extravaganza. A lively mix of acrobatics, muscles, pulsating beats, juggling, hoop diving and infectious joy that will leave you breathless. The whimsical *Becky Bubble Show* delights audiences with giant, rainbow-coloured bubbles that create a dreamlike atmosphere, while fairy storytellers weave enchanting tales in the magical Fairy Garden. Easter celebrations bring a quirky *Rabbit Hunt*, where adventurers follow clues to find ten mischievous rabbits in exchange for sweet rewards.

For those seeking more adventure, hop aboard the *Tractor Train* for a scenic ride, challenge friends at the *Garden Games Maze and Obstacle Course*, or test your rhythm in the *School Holiday Drumming Workshops*. Discover handcrafted goods at the *Market Faire*, refuel with global flavours at the food trucks, and leave with fresh blooms from the flower market. With free parking, discounted **Early Bird** tickets until March 21, and endless activities for all ages, KaBloom is the ultimate day out, celebrating nature, art, and exploration.

Paul Tesselaar, a third-generation flower farmer of the Tesselaar Tulip Festival says: "*Kabloom is more than just a flower festival—it's an explosion of colour, creativity, and*

fun for all ages. We love seeing families and friends marvel at the breathtaking blooms and immerse themselves in all the activities on offer. Autumn is such a unique time of year and the season offers up such an extraordinary experience in the glorious Dandenong Ranges. Every year, we grow and evolve our visitor offering, and this season is our most vibrant yet.”
